**CHEERS!** to Hillier Women's Institute members and families who are tying a quilt that will be gifted to a needy family in the area around Christmastime.

There were 19 members and guests attending the November meeting. All enjoyed cake celebrating **Bill and Grace Clements'** 65th wedding anniversary, member Doris' 90th birthday and yet another cake celebrating the W.I.'s 110th birthday.

Members have created a Christmas tree for this weekend's Festival of Trees fundraiser for Garratt's Islands Farm reTreat, a three-season camp at West Lake for children with life-threatening illnesses.

**Linda Downey** gave a report on the Wellington Food Bank. She noted they have a standing account in the old IGA in Wellington where people can invest cash to be used by the food bank. They also welcome blankets and bedding donations, the storage place being the Pentecostal Church basement. Items can be left at the Wellington Times office. **CHEERS!** to W.I. members who handed over boxes and bags of food for the organization.

**CHEERS!** also, for a donation of \$50 to the Prince Edward Community Living in support of the Children's Breakfast program at Queen Elizabeth Public School. Members also decided to donate \$150 to the Wellington Legion as a thank you for use of their kitchen when baking their fabulous apple dumplings. A \$100 donation will be made to the Wellington Pumpkinfest as a thank you for their support.

At their Christmas lunch, members will be bringing gifts for the Children's Aid campaign or a book in support of a local literacy program. *COUNTY NEWS 23-11-07*
