 Favourite Summer Vacation
 Bring your recipe of Potluck
 contribution.
Activity: surprise by our Hostesses

Aug. 21, 2008 1:00 PM

Hostess: Pat V.
Business Meeting: 1:00 – 2:00
Roll Call: Last Time I Visited the
 Library
Tea 2:00- 2:30: Brenda, Judy, Gerry,
 Bernice
Activity: Learning about Archives @
 New Location

Hillier W.I. this month

Sept. 18 is the next W.I. meeting. Please note change of time and place. The meeting starts at 9 a.m. Please call Judy Thorpe at 399-5355 to arrange carpool if planning to attend. The day will be spent at the Prince Edward Pt. bird observatory. Roll call for the meeting is name your favourite bird and why.

The Cherry Valley W.I. has been meeting for 100 years and they invite you to an afternoon tea Sept. 9 from 2-4 p.m. Please call Thorpe to arrange carpooling.

The tombstones at

Christ Church cemetery in Hillier are being repaired and cleaned up: anyone interested in helping with this worthwhile cause, please arrive on any Saturday morning with a pail, some water, a scrubbing brush in hand, and I think a pair of rubber gloves would probably be a must.

This month, we lost a long-time member of our W.I. Merle Evans lost her long battle with cancer. Her mother had been a member of the Hillier W.I. when Evans was growing up. Merle was a dedicated member and I will miss her very much. For the past 10 years we have driven together from Picton to each meeting and to other places within the W.I. Our deep sympathy is extended to Walter, Colleen, and the rest of their family.

There were 15 members at the August meeting, plus a very busy, if small, guest. Peggy's grandson was visiting for his first birthday.

Pat had arranged for Barb Sweet from the Picton library to present a slide show and give an informative talk about the many services the library provides.

A delightful fruit, cream, and custard tea followed. *GAZETTE 08-19-08*
