

Hillier W. I.

The 91st Prince Edward District's annual meeting was held May 26, 1999 in the Hillier Hall hosted by the Hillier Branch founded in 1914. Ruth Crawford was committee chair and along with many Hillier members worked diligently to ensure the success of this annual event. Successful it was with approx. 70 members representing our 8 Branches. The hall was tastefully decorated with coral coloured geraniums and the tables donned with white table cloths for the 12:00 o'clock lunch catered by Tammy Lamb. We would like to thank Marshmans jewellers who kindly donated pens so that each member could jot down important issues, dates, names etc. during the a.m. and p.m. sessions. During the morning session a resolution to change the Women's Institute name prepared by Codrington Women's Institute previously discussed by each Branch in the Prince Edward District was turned down.

During the afternoon program each Branch took part in a memorial service for their deceased members. Hillier Branch remembered a long time member Laura Haight and a past president, Reta Gage who passed away in 1998 & 99. The Craft Show for July 1999 was unanimously approved with some adjustments made to lighten the chores of all the Branches participating. The program presented was a film titled "Democracy a la Maude". The meeting was adjourned after singing "A Song of Peace". Next year the "Millennium Year" Con-secon Women's Institute Branch will be hosting. See you there!
