

THE TIMES 9-15-99

Hillier Women's Institute News

The Hillier Women's Institute met in the Hillier Hall on June 17th, 1999 to select by consensus the 1999-2000 year program. Under the direction of Peggy Burris and Margery Rutherford various ideas were presented by our members and divided into categories. Members were given 13 pennies each to spend choosing programs of their choice and in most cases it was a close count. A bus trip to visit the Erland Lee Museum in Stoney Creek and the Adelaide Hoodless Homestead in St. George was chosen for the excursion in October of this year and by inviting members from other branches in the County to join us we feel the seats will sell out fast.

Our new president Marylin Rennie explained "How The Women's Institute Pin" was created and Marylin plans to research and present an interesting fact about the W.I. roots each month. Coincidentally our new member Margaret Mickelthwaite was welcomed to the Hillier W.I. and pinned

by Ruth Crawford.

Denise Galloway library technician from CML Snider Public School's Library Resource Centre spoke to us about a new computer system to be in-

stalled in their library. With volunteers enlisted and money donated, they hope for an automated start in September 1999. Three motions were passed by our members to send donations to the CML Snider Public School project, the Melissa

Coghan fund and to send a thank you gift certificate to Drew at White Rose Nurseries for his help and contributions at the March Pot Luck Supper. Both parts of this meeting were adjourned and a wonderful lunch was served by Jean Alexander, Pamela Little-

fair, Marjorie Darling and Merle Evans.

MAY 20- 1:00p.m. CHANGED TO
