Volunteer Hours:

In August Margery Rutherford showed a wonderful video on FENGSHUI, an ancient eastern art of healing. Few of our members knew much about this art and it was a great education. Thanks Margery. Our Ice Cream Booth at the Prince Edward District Art & Craft Sale, an annual fund raiser,

was successful this year and was carried out by the hard work and organization of Marjorie Darling.

Joyce Brown pinned and welcomed our newest member Joanne VanDerWyst at our August meeting.

**TOPIC:** -The White Chapel (Bruce Dainard)

**ROLL CALL:** Your greatest health concern - how you keep fit.

**HOSTESS:** Margery Rutherford

Volunteer Hours:

Our September meeting was car pool to "The White Chapel" just outside of

Picton. This was also an educational experience. To sit inside this church and imagine the histories of the many people who belonged to the congregation many, many years ago was wonderful. One of our members Ruth Crawford, has a family history with this church and shared pictures of four generations. Her mother, grandmother, G-grandmother, GG-grandmother and then Ruth showed us her GGG grandmother's head stone in the church yard. *THAS-10-17-01*
