## OPENING ODE

*A goodly thing it is to meet  
In friendship's circle bright,  
Where nothing stains the pleasure sweet,  
Or dims the radiant light.*

*No unkind words our lips shall pass,  
No envy sour the mind,  
But each shall seek the common weal:  
The good of all mankind.*

## INSTITUTE CREED

Keep us from pettiness. Let us be large in thought, word and deed. Let us be done with fault-finding. Let us leave off self-seeking. May we never be hasty in judgment, and always generous. Teach us to put into action our better impulses, straight-forward and unafraid. May we realize that it is the little things that create differences, that in the big things of life we are one, and may we strive to know and to touch the great common woman's heart of us all. May we not forget to be kind.
