

# Area WIs sponsor health fair

Dear Editor:

I would like to inform your readers of 'A Health Fair' taking place on Wednesday, May 30, 2001 from 2 to 8 p.m., at the Tavistock and District Memorial Hall, 3 Adam St. Tavistock.

This event is being sponsored by several local Women's Institute branches - Brooksdale, Browns, Lakeside, Anna P. Lewis, Princess Elizabeth and Embro under the auspices of the R.O.S.E. Program. (Rural Ontario Sharing Education).

The local Institutes under the leadership of Frances Rutherford, Carol Innes and Tara Alden have worked very hard to organize an event which will prove to be educational and informative.

It is planned so that people can drop in, enjoy a cup of coffee and visit the

many booths learning what is available and how to access it.

Come and learn what is accessible from Alzheimer's, Aromatherapy, Dental, Diabetes, Cancer Prevention and Nutrition only to mention a few.

There will be over 25 information booths many of which are interactive. Of special interest will be the Ontario Breast Screening Booth which will provide a mammoviewer which will enable you to see the many different types of tissue.

Plan to attend this free event sponsored by the Women's Institute. It will be one of the best and most important programs which you will ever attend.

Sincerely,  
Sheila Greason  
Uniondale
