

Community Family Supper 2005

COMMUNITY SUPPER HELD IN BROOKSDALE

To celebrate the arrival of spring, the Brooksdale Women's Institute hosted a Community Family Supper on April 1. Committee members decided to let "Swiss Chalet, Stratford" prepared the meals & everyone made their own ice cream sundaes. Jeff Timmermans, Stratford gave an emotional prelude to his presentation of his journey across Canada titled "Miles for Memories". May 23, 2003 was day 1 of his 8,300km journey across our nation with his bicycle to create awareness about Alzheimer's, which his wife suffers from. He concluded his presentation with the statement, "I travelled the country & discovered that we live in paradise." Anne Innes thanked Jeff for his pictorial presentation of his journey & for inspiring the audience to achieve personal goals, large or small.
