

It was all smiles for Brooksdale Women's Institute as one of their members was recently elected President Elect for the Federate Women's Institutes of Ontario at the provincial annual meeting held in Barrie Jan. 7 to 9. Holding flowers, Carol Innes, centre, began her term of office by joining her fellow members in learning how to make tied fleece throws at their Jan. 10 meeting. Innes is also president of Oxford District Women's Institute and past provincial R.O.S.E coordinator. (Laura Green photo)
