

Feb. 23 / 23.

The monthly meeting of the Brookdale Branch of W. I. was held at the home of Mrs. Wm. Innes on Feb. 23. There was a large attendance and the president, Mrs. Kerr conducted the meeting which was opened in the usual manner. The minutes were then read and adopted.

It was moved by Mrs. Green seconded by Mrs. Ball that the mid-summer meeting at which the government delegate will speak, should be held at the Brookdale hall. It was decided we should request that the subject "Laws Relating to Women and Children" be discussed at that meeting.

A letter was read asking our organization to join the North Oxford Horticultural Society but no action was taken in the matter at present.

It was decided by the members that we should have a social evening on March 5. and that the members of the losing side of the Membership Contest would entertain the winning side. The form of the entertainment to be decided by the losers themselves.

The leaders of the contest then counted their members and it was found that Mrs. Harry Murray's side had been successful by a large majority.

After the business of the day was concluded Miss Ella Thomson read a paper on "Community Recreation."
