

COVER OF VOLUME II

made by

CURATOR, MISS MARJORIE DEMAINE

Corrugated cardboard covered with
adhesive "MACTAC" WAS USED. Cotton
print used in the hinges. Notebook
rings used in place of "Chicago Posts"

The above cover of this volume, Book II,
was not proving very satisfactory so a new one
of masonite panelling and Chicago Posts has been
substituted. (M. M. Demaine, Jan., 1978)
