

*50th Wedding
Anniversary Celebration*

BOB & BETTY GREER

*Please do not bring gifts.
Instead we ask that, on letter size paper,
you write something about
your experiences with Bob and Betty.
It could be a humorous anecdote, a special time,
or whatever you would like to say
to them at this special time.
Pictures too!*

*We would like to compile these
into a book before May 10th so please send us
your "gift" as soon as possible
(whether you can come or not).
If you have not sent it to us ahead of time
please bring it with you.*

Join us for an
evening visitation to celebrate this
special occasion.
