Built in 1863

First services were held in a log school-house on the site 1825 – 1832

A frame church replaced it in 1852.

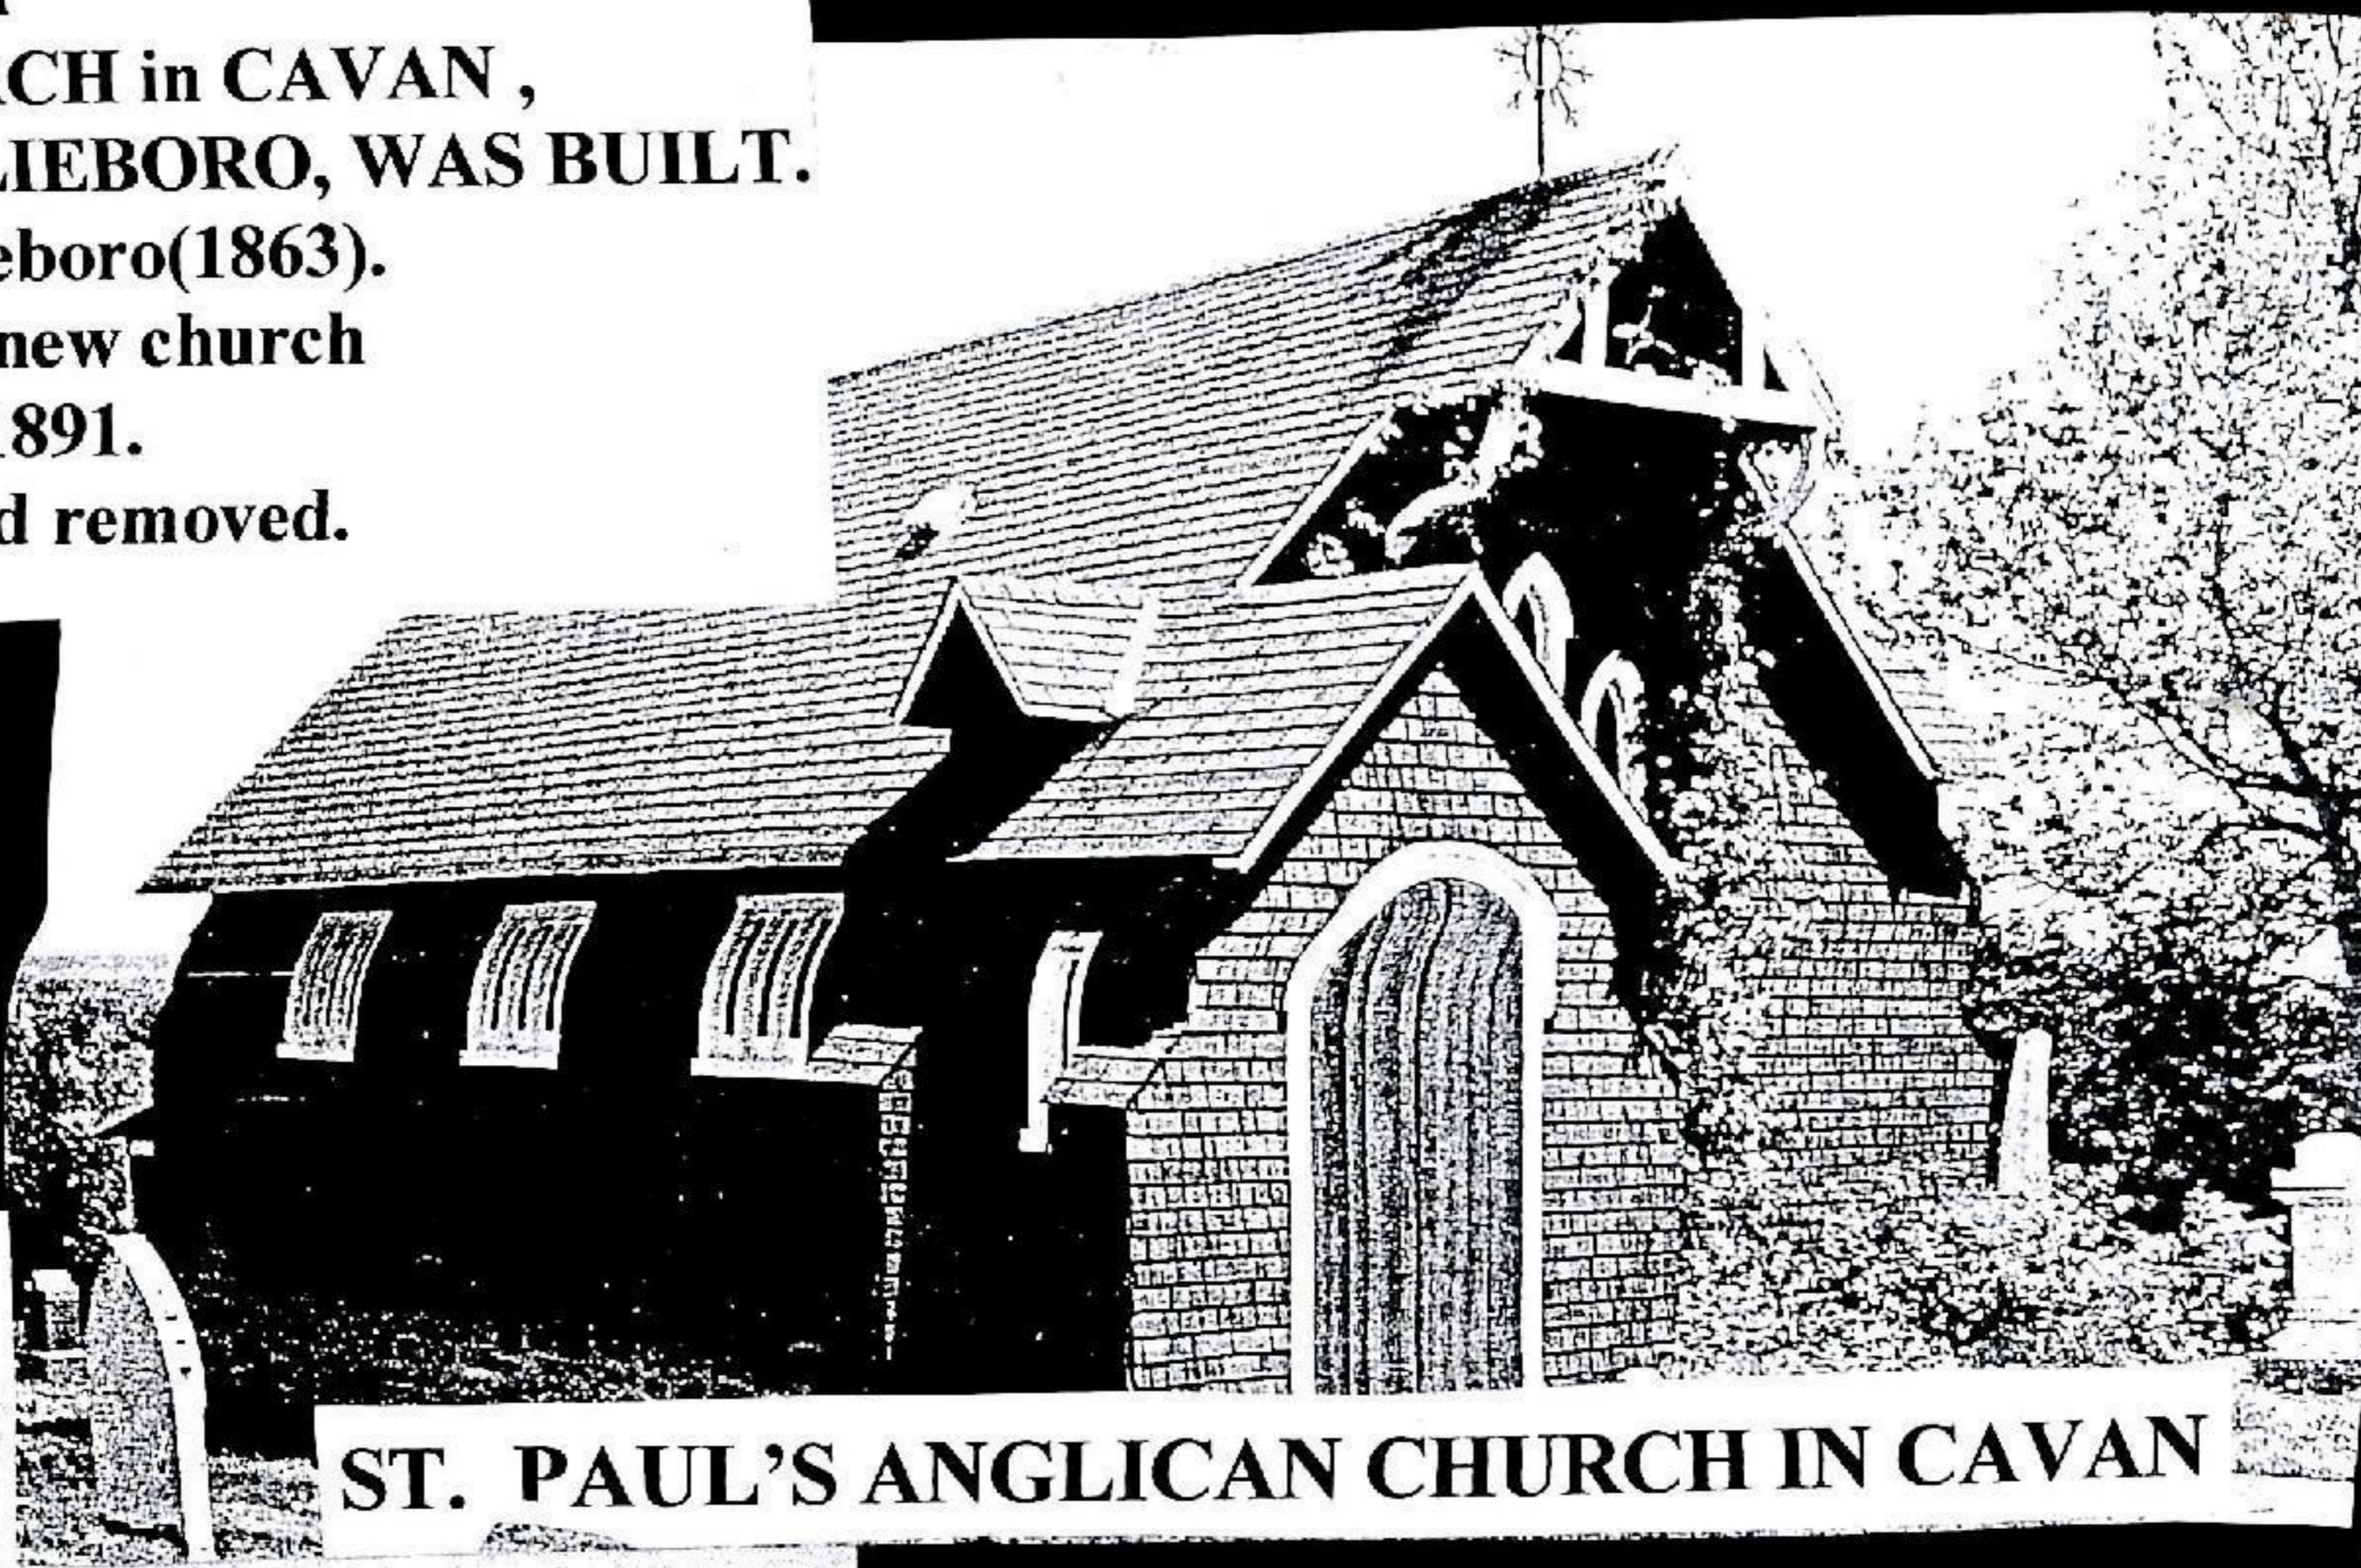

The present church was built in 1863 and the cemetery by the church was the site of the first Fairview School and yard and was later donated to the church.

In early years Anglicans attended **ST. PAUL'S ANGLICAN CHURCH** in **CAVAN**, before **CHRIST CHURCH, BAILIEBORO**, WAS BUILT.

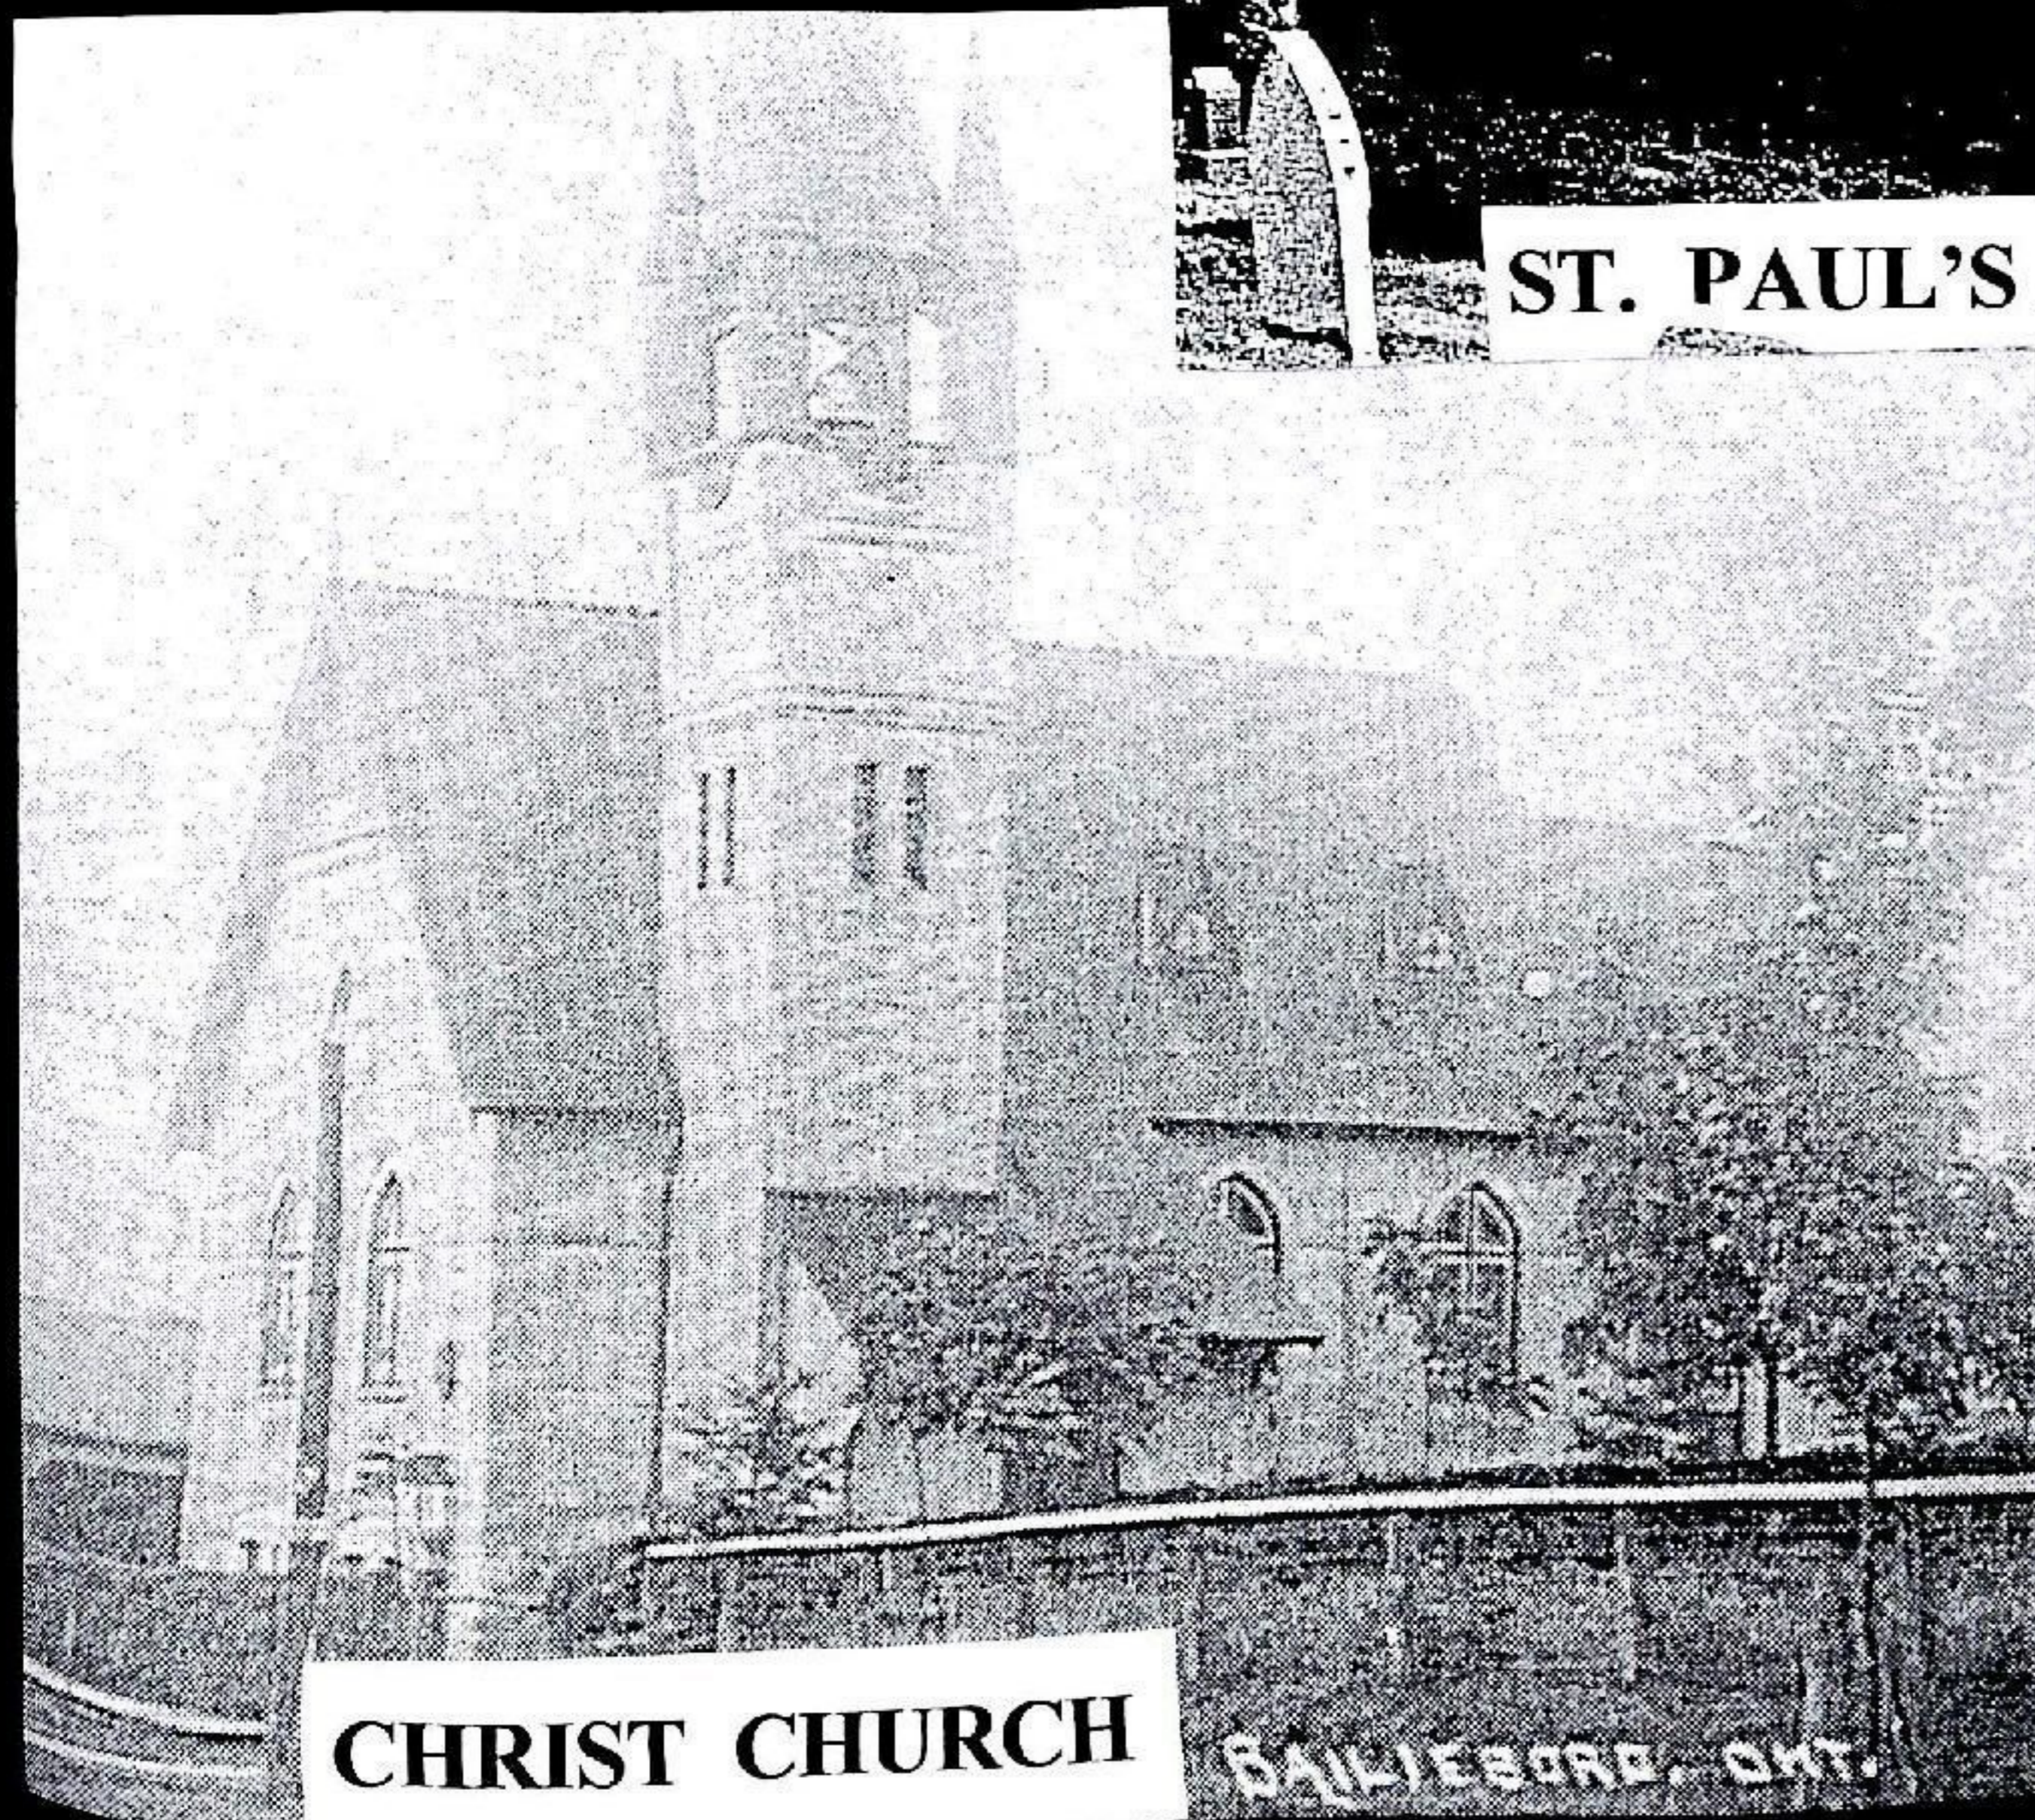

The first one was east of Bailieboro(1863).

The Bell was taken when the new church on the highway was erected 1891.

The old building was sold and removed.
