

Dedication of plaque

On Sunday, September 7, the Bent River Women's Institute is hosting a ceremony to dedicate a plaque at the site of the old Bent River School.

Students from the area attended the school, which is located on Rosseau Lake Road 1, just off Highway 141 in Bent River, from 1887 to 1912.

Before the dedication, members of the Women's Institute will serve a lunch at the Bent River Community Centre. A tractor and wagon will take people up the road to the plaque site for the dedication.
