

### **An agreeable couple!**

Ken and Pearl Gilbank say the best way to make a marriage work is to "be agreeable." The happy couple should know, as they celebrated their 50th wedding anniversary Sunday September 17 at Nestleton Hall. Mr. and Mrs. Gilbank, of RR.#2 Blackstock, were married September 14, 1938, and boast four children, five grandchildren, and three great-grandchildren (the youngest of whom is six weeks old and was the star of the family celebration). The hall was filled to capacity with friends and family. Congratulations!
