married longevity, George quips, "Hard work and no money."

"You've got to work together to get to this milestone of life," Ivy says of the 60 years of marriage.

"If we hadn't, we wouldn't be seeing 60 years," George adds. "We've got the most wonderful family: our sons, our daughters-in-law Kathi (nee Chatterson, married to George) and Elaine (married to Reg), five wonderful grandchildren and one great grandchild."

For the "official" celebration of their 60th anniversary, the family will be gathering at the Bancroft hunt camp one weekend soon.

"If you've got love in your heart, love conquers all," Ivy says. "It's love that does it, faith in God, and thinking the best."

"Through the years, the church has been an important part of our lives," Ivy says of Trinity Anglican Church in Colborne. "We've always been active, sharing our love with family and friends in so many ways. It has been a very rewarding experience for us. We have truly been blessed."
