ACHIEVEMENT DAY

On Saturday, March 19th, a successful Achievement Day was held for Northumberland Home-making Club girls for the project "Dressing UP Home Grown Vegetables" at the High School in Brighton. 128 girls exhibited a record book and a properly packed school lunch.

They spent the morning judging a class of menus, a class of school lunches giving reasons August. Of course, the idea is for their placing and doing menu planning for four days in for them to practise making sure the Food Guide for health is followed and that good colour and variety are achieved through plentiful use of vegetables, many of which can be home grown. This project worked in so well with last summer's garden project and should make the girls even more interested in growing a garden next summer as about 130 of them are planning to do.

An interesting afternoon programme of exhibits and demonstrations by each club gave the girls further training and reviewed the information given in the project.
