

Each Thursday, Ellen Ramsay visits the bank to pick up the company payroll. On Friday she visits on her own behalf . . . to deposit her savings. On both occasions she receives prompt, personal attention.

In the country, busy insurance man Tom Welch very rarely visits his bank. He does all his banking conveniently by mail. But he gets the same friendly, efficient service.

Requirements may differ but, at The Canadian Bank of Commerce, the service remains constant . . . and as broad and enterprising in concept as Canada itself. Clear across the country, in rural communities and in big urban centres, The Canadian Bank of Commerce serves its many customers with that sincerity which makes banking a pleasure.
