

General Manager Patrick Franchomme points to the 18,000 tonne James Norris unloading its cargo of crushed limestone.

RIGHT, WHERE'S WALDO? Jordan McCulloch and Drew Loucks are dwarfed as they climb aboard the rock carrier for a ride.

COLBORNE CHRONICLE
SEPT. 18/03
**St. Lawrence
Cement opens
Ogden quarry
to public**

Photos by Bob Owen

It's a long way to Lake Ontario from the Ogden Point Quarry so the ore is carried by conveyer to the James Norris awaiting at the pier.

Cam Thomas is the expert when it comes to blasting. The TEC employee explains how it works to Colborne resident Eileen Milley.
