

**Miss Me – But Let Me Go**

When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom filled room  
Why cry for a soul set free.

Miss me a little – but not too long  
And not with your head bowed low  
Remember the love that we once shared,  
Miss me – but let me go.

For this is a journey that we all must take  
And each must go alone  
It's all a part of the master plan  
A step on the road to home.  
When you are lonely and sick at heart  
Go to the friends we know  
And bury your sorrows in doing good deeds  
Miss me – but let me go.
