The church supper tradition continues

Castleton United Church continues the tradition of the church supper. In times when it is tough to pay all the bills and maintain the church, a supper fundraiser is a big help.

The church basement was hopping with close to 200 diners enjoying the pork dinner Oct. 25.

In their thank you to the community, the church members have created a flyer

telling all that is being done with the donations and contributions to the church.

The new refrigerator, stove, wall ovens, cooler, sinks, island, and exhaust fans have made the kitchen state-of-the-art.

The church is home for a local Sparks group, pre-school play and the hall is used by a variety of local organizations for special events and meetings.
