*A million times I've needed you  
A million times I've cried,  
If love could have saved you  
You never would have died.  
Things we feel most deeply  
Are the hardest things to say,  
My dearest one, I loved you,  
In a very special way.  
If I could have one lifetime wish  
One dream that could come true,  
I'd pray to God with all my heart  
For yesterday and you.*
