## WARKWORTH LONG LUNCH

### WARKWORTH

This community of eight hundred, which is home to artisans, musicians, potters and farmers, is set in a valley of rich farmland in the beautiful Northumberland Hills. The street is blocked off and tables are stretched out to accommodate the hundreds who will gather so that the community can celebrate and enjoy the bounty of the region. Welcome to the sixth annual Warkworth Long Lunch, August 16th, 2009, between 11:30am and 3pm. The Warkworth Long Lunch is a way to celebrate the culture of the region and have a midsummer's party to share each other's company across the table. It's clear and simple. The Long Lunch derives its name from the vision of its founders. Tables set end to end down the middle of one of the nicest main streets in small town Ontario. We welcome you to join us for this celebration.

### LONG LUNCH MENU

The menu consists of Barbecued Beef or Pork, dinner rolls, baked beans, salads, corn on the cob, horse radish and pickles, and of course some of Warkworth's famous pies. And you can accompany it with coffee, tea or water.

## Thank You

Dan and Gail Pearson wish to sincerely thank all our friends and family who attended our 40th Anniversary Celebration from Rodney to Montreal and all points between. Our bridal party was all in attendance but one, and also Rev. Roy and Mrs. McGrath who married us 40 years ago. We certainly appreciated all the cards and wonderful gifts. Thank you to Bob Owen for taking the family photos and all the photos of this special day which we will have to treasure for future years. Extra special thanks goes to our sons, their mates and grandchildren for this wonderful surprise which they put so much time and effort into. We love you all very much. Thanks also for the cards and calls following Gail's knee surgery. *God Bless each and everyone of you.*
