Makes Hard Work Easy!

DUSTING, cleaning and polishing hardwood floors is hard, back-breaking work. An almost never ending task and seldom satisfactory the old way. But it is easy, quick and satisfactory the new way--using the O-Cedar Polish Mop. With it you can spend a few minutes doing what it now takes you almost half a day. You simply pass the O-Cedar Polish Mop over the floor and every particle of dust and dirt is taken up and held. The floor is given a hard, durable, lasting polish and finish.

is also used for the dusting and cleaning of the tops of high furniture, between the banisters of the stairs and is so made that you can get to the far corner under the bed, beneath the radiator and other hard-to-get-at-places.

Satisfaction Guaranteed or Money Refunded
Try an O-Cedar Polish Mop for two days at our risk. Test it every way for two days and if you are not delighted with it we will promptly refund your money.

Card of Thanks

MR. AND MRS. Thos. Coffey and family wish to thank their friends and neighbours for their kindness shown during the illness and death of their son and brother, Stewart A. Coffey.

The campaign to raise \$125,000 for the new Masonic Temple in Toronto closed, with more than the objective obtained.
