Thanks to Mandy Martin we have some great photos from the Father's Day Breakfast at the Colborne Legion to share with you. To get them all on the page we have posted them in reduced size. Just click on any of them to see them larger.

They scrambled and cooked fried eggs to order, prepped pancakes, sausage, toast and preserves in honour of dads at the annual Father's Day Breakfast at the Colborne Legion June 17, 2012. Dads dined for free.
