Carl Robert Clark

October 24th 1934 - November 28th 2013

Beloved Husband

To Roberta Clark

Lets find a place in paradise
A place for me and you
Where love and happiness
And all of our dreams come true

Lets find a place in paradise
Where we can be together
To hold me in your arms
Where love will last forever

Lets find a place in paradise
Where you are only mine
To cherish in my heart
Until the end of time

Peacefully
