■ ACCIDENT FORCES COUNTY ROAD 2 CLOSURE

Fatality at construction zone

PETE FISHER
Northumberland Today

GRAFTON - An elderly man is dead after his vehicle slammed into a drilling machine east of Grafton on Friday afternoon.

Northumberland OPP say the man was driving westbound when the vehicle struck a drilling machine taking soil samples east of Grafton on County Road 2 by Vernonville Road just after 1 p.m.

The man was given cpr, but was pronounced dead on the scene.

There were approximately five workers on the scene.

Two workers from AMEC from Scarborough were also injured when the vehicle slammed into the drilling machine.

Police say the workers suffered non-life threatening injuries.

Northumberland County Director of Transportation and Waste Management Mo Pannu said the company was hired by the county to bore holes approximately every 500 metres taking samples of asphalt to look at the condition of the roadway on a County wide study.

They are doing the entire length of County Road 2 and County Road 30 as part of the study.

County Road 2 was closed between Wicklow Beach Road and Thomas Road as members of the Central Region Technical Traffic Collision Investigation (TTCI) Team conducted their investigation.

The road was clear at the time and police say a post mortem may help determine if a medical

Northumberland OPP officers were on scene of a fatal motor vehicle collision which resulted in the closure of County Road 2, east of Grafton on Friday.

condition played a role in the collision.

The name of the deceased person will not be released at this

time pending next-of-kin notification.
