

Open house makes more history

Colleen Past President Northumberland
East District W.I.

Quartet Melange – Marg Smith, Nancy Hawkshaw, Susan Radeki and Colleen Stickle – belt out a medley of World War Two songs at the History Open House event, held last weekend at the community centre. The singers are wearing a Red Cross bib styled after the uniform worn by refreshment service workers in 1917. Organizers say more than 800 people attended the second annual event.
