seventh annual Twenty minute Makeover

Northumberland County

Your chance to make a difference

The 20-minute Makeover is your chance to spend a few minutes beautifying your neighborhood. At any time on Friday, April 24th, we're asking you take 20 minutes and go outside and pick up litter in and around your neighborhood - the local park, roll around your office property, school yard, etc.

No registration required - just grab a bag and some gloves and head outdoors. And remember to recycle items like Christmas pop cans, bottles, and paper products when you can.
