## ORGANIZATIONS

The Royal Canadian Legion members have modernized their hall and have placed a sign at the roadside. As well as the monthly meetings of Branch and Auxiliary, they hold euchre parties on Tuesday evenings and darts on Friday evenings.

The women of the community have "Euchreladies" gatherings first Monday of the month.

Other organizations noted in earlier volumes seem to be operating.

## SERVICEMEN

We are pleased to have a few more pictures of military personnel to present. As well, one enlisted but was later turned down as being physically unfit for the hardships of military service. It is said he stayed near camp and learned the rudiments of warfare. Then his pals outfitted him in a discarded uniform, smuggled him aboard the trooptrain to the coast and aboard ship to Britain. There he was inducted again into the army. His name is Breslaw (Sam) Vankoughnett, who lived past his 83rd birthday and attended the family reunion in 1981, in Dunchurch.
