Dear Ms. Jennings:

This letter comes to you with the sincere thanks of the members of the Ontario Federation For The Cerebral Palsied. Thanks to your generous donation, and the donations of others we are able to carry on our programs of prevention, integration and service to the disabled of Ontario.

In the past years, we have been able to provide Transcutaneous Oxygen Monitors to hospitals in Oshawa, Sudbury and Kitchener, which have helped prevent physical defects in the new born.

Our work with disabled adults has included provision of housing, training, job skills, advocacy, therapeutic and life skills opportunities. This extensive program would not be possible without the support of groups like yours. We need your on-going support, we sincerely appreciate it and ask you to convey our thanks to your whole group.

Sincerely,

  
Clarence Meyers  
Executive Director.
