

On the evening of July 3rd. 1980: Friends and neighbors gathered at the home of Stan Wright, Glen Orchard, to discuss the possibility of forming an Historical Society in Glen Orchard, to preserve the Woman's Institute Hall, and to look into the possibility of having other buildings declared Historical Building by the Council of Muskoka Lakes, to foster Community awareness of our pioneer families, and their contribution to the community.

It was moved by Hal White and seconded by Pat Anderson, that we form such a group, and our slate of officers be as follows.

President — Muriel Hall.
Secty-treas — Mary Hardy.
Directors — May Pope, Stan Wright,
Pat Anderson, Charles Hall, Bill Groppe -
and Hal White.

It was decided that the officers should hold office for three years, and that we hold our meetings every three months, or when necessary, and we pay a fee of \$1.00.

Our group will be known as Glen Orchard Historical Society.
