

Nov 2nd 1972

WELCOME to Central Ontario was given William Carter, the incoming president of Rotary International, by Mr. and Mrs. Arthur Ferguson of Gravenhurst. Mr. Carter, a lawyer of Battersea,

England, told Rotarians from a wide area that Rotary in seven decades has survived many world crises and he predicted the service organization could be approaching a time of greatness in

spreading its influence around the world among its 15,000 clubs. He urged there be more members to boost the total from 723,000 to one million.
