

HEADLINES OF THE YEAR 1909

Reeve- H. G. Hutcheson
Councillors, Hugh Carmichael. James Forman, George Garrow
James Stone house.

February - Weber Gas Engine Co. 'fishing' for position in Barrie.
Attempting to obtain \$40,000 without interest and with
free light and water.

April - Greenberg Bros. open jewellery business in Blong Block.

May - St. Charles Hotel (E. Allward, prop.) loses tavern license.

- Steamer "Cora" brought in a two of logs consisting of
some 20,000 pieces for Carnegie's new mill. Their
new boat "Scugog" is also giving good service.

June - Twenty one carloads of stock were shipped from Port
Perry during the month of May. Total value about \$25,000.

- Citizens' Band hold Moonlight Cruise on Lake Scugog.

August - A new cement culvert is being built across the main st.
just east of the Methodist Church.

- The G. T. R. is building a new water tank in th station
yard.

- Rural mail delivery has been granted to Columbus, Raglan
and Taunton.

September - Town water tank is being repaired. The tank was built
six years ago and this is the first repair needed.

October - The Lawn Bowling Club have secured a new plot and are
levelling in preparation for next year.

December - " now that the round house has gone the cattle pens stick
out like a sore thumb and the railway should remove them.
Years ago the engine used to remain in Port Perry over night
and the round house was built then. When the railway
authorities moved the engine to Lindsay the round house was
used as a pump house for a time. It was recently removed."
