

Members Of W.I. Enjoy Course In Copper Tooling

A short course on Copper Tooling was sponsored by the Honeydale Women's Institute and held in the Senior Citizen's Hall on Oct. 24th - 25th. This course was presented by the Department of Agriculture, Extension Branch of the Home Economics Service, and was in charge of Miss Gum the Home Economist. Eight members of the Institute and four visitors took the two day course and each pupil managed to complete a picture 8 x 11. This hobby proved very interesting although somewhat tedious and tiring, due to the shortness of time to

complete the project.

Those taking advantage of the course and pictured from left to right were: Miss Alice Dodd, Mrs. William Wakeford, Mrs. Emma Webster, Mrs. Fred Warren, Mrs. Louise Patterson, Mrs. Samuel Cawker, Miss Gum, Mrs. George Bell, Mrs. Samuel Naples, Miss Audrey Kent. Absent when picture was taken were Mrs. Hugh Espie, Mrs. Grant MacDonald and Mrs. Bruce McCoy.
