

The picture to the left shows the old Catholic Church on John Street which served the Parish for many years. Now it is the Catholic Community Centre. On Sunday September 21st, 1969, His Grace Philip Pocock, Co-Adjutor Archbishop of Toronto conducted the solemn blessing of the new Catholic Church on Hwy. 7a.

Among the many guests were several ministers of other Christian Churches. Those taking part were Rt. Rev. Monsignor P.M. Dwyer, Pastor of St. Gregory's Church Oshawa, Very Rev. W. DeWitte SCJ, Vice Provincial of the Sacred Heart, Messrs. W. Saccoccio Architect and C. Sorichetti, General Contractor, Lynview Construction, Whitby.

A youth choir of the Parish sang accompanied by guitars.

The Pastor of the church Rev. Adrian Lee SCJ expressed appreciation to all who worked so hard in providing for the new church.

After the service the guests moved to the old church for a reception.
