

Ontario's Premier Congratulates

Toronto, Ontario

June 16th, 1958

May I take this opportunity of congratulating the good people of Kearney on the occasion of their Semi-Centennial

Your community is known far and wide for wonderful fishing, hunting and water sports and is indeed an integral part of our great Province.

Please accept my best wishes that your celebrations will be a great success and that the future will hold many wonderful things in store for Kearney and the fine people who reside there.
