The success of the Institute will depend largely upon the efforts put forth by the officers, and we feel sure that we can depend upon you to do what you can to further the interests of the Institutes.

We would be glad to have from you the name of your President.

We shall be glad to hear from you from time to time, and if this Department can be of service to you at any time, it will be a pleasure to us.

Very truly yours,

Geo. A. Patman
