

incorporated into a town. Two
 Hotels were built. There was
 a brass band of note. Stores
 were built and Keeney
 became a thriving town.
 Our skating rink was one of
 the best in the North Country
 and had ice space larger
 than that of the Maple Leaf
 Gardens of Toronto. Our hockey
 and baseball teams were
 something to be proud of.
 The girls "Happy Night Club"
 with their dances and the
 Dramatic Club with their plays
 contributed many happy
 hours for all to enjoy.
 The old log school about
 2 miles west of Keeney
 known as the Buckle school
 was the only one for the
 surrounding district. A new
 P. S. new school at Keeney
 was built. At ^{the} present time
 we have our new modern
 school which was built a
 year ago.
