TREES

Many a tree is found in the wood  
And every tree for its use is good,  
Some for the use of its gnarled root  
Some for the sweetness of flower or fruit,  
Some for shelter against the storm  
And some to keep the hearthstone warm.  
Some for the roof and some for the beam  
And some for a boat to breast the stream,  
In the wealth of the woods since the  
world began,  
The trees have offered their gift to man.
