Their Majesties
The KING and QUEEN

Compliments of T. EATON Co., 1939

Our community joins the World in mourning the sudden passing of our late King, George VI. Within a very short time after hearing the sad news Henry Thompson had the village flags flying at half-mast. On Sunday, memorial services were held at both churches. On Friday afternoon at 2:30 there will be a service at St. John's Anglican Church.
