

Dear Friends

Allow us to thank you heartily for your worthy gift of clothing and linen delivered by the help of UNRRA to the inhabitants of the city of Pribram, a m,

Czechoslovak Republic.

The city of Pribram is situated on 14 E

/ Greenwich / and 50 N and it is about 900 years old.

There are very old and world-famous silver - and lead

mines. More than 70 diverse minerals are to be found here

as for instance : antimony, arsenic, silver, lead, cobalt,

nickel, uranium, molybdenum, barytic, zingblende and other

ores.

The city abounds in educational establishments

of all kinds. There are Junior and Senior High Schools,

a Mining School, Elementary Schools a.s.f.

The number of inhabitants is 10,000, notwithstanding -

standing in the close vicinity there is an acreage of

other ten thousand neighbours.

The Saint Mount with the statue of the Blessed

Virgin, that is the most important church of pilgrimage

in Central Europe is also here on a hill, immediately

above the city.
