JAM FOR BRITAIN

This project is well under way for the 1945 season. The response from the Institutes is excellent and pays silent tribute to the fact that Ontario Institute members are deeply concerned about feeding the hungry in Britain and Europe and are anxious to bear their share of the responsibility in this time of dire need. In addition to local purchases of jam, and to contributions of homemade jam of which no record is yet available, \$4,750.89 has been sent to the W.I. Sugar Fund.

Mrs. Irene Byers, 82, has 25 varieties of bulbs growing in her Ottawa basement. She doesn't know how many she has raised in the last four winters since she started but she does know she gives all of them away. In this photograph she examines some hyacinths she has raised.

Mrs Byers was a very enthusiastic worker in Cartwright in World War I
