

## WALK INTO TRADITION

Enjoy the vibrant beauty of Rideau Hall's grounds. A knowledgeable guide will be delighted to introduce you to this charming fragment of Canada's rich heritage and to tell you fascinating stories of the men and women who once lived here.

Stroll through the park-like grounds, taking a moment to remember those who are commemorated here — famous Canadians like Terry Fox, whose courageous war with cancer is an inspiration to us all.

As you wind your way back to the ornamental front gate, your ear may be caught by the beat of martial music that draws you on to witness a colourful military tradition.

## CHANGING THE GUARD

Enjoy an age-old ceremony performed by members of two famous Canadian regiments—the Governor General's Foot Guards and the Canadian Grenadier Guards. The Guard changes at the main gate, every hour on the hour, daily, from the end of June to the end of August.
