Best Wishes from your Family

5th Wedding Anniversary - Hope & James

Rick Hope and Kim James were married on the snowy day of January 25, 1986 at Blackstock, United Church. Rev. Dale Davis officiated the marriage through tears and laughter with great sensitivity. Thank you. Kim is the daughter of Jackie and Jesse James of Blackstock. Rick is the son of Dorothy and Roy Hope of Prince Albert.

Leisa James was matron of honour with bridesmaids Joan Bailey of Sault St. Marie, Sherry Rowe of Markham, and Leea Kinnunen of Prince Albert was flowergirl. The bridesmaids wore velvet mulberry coloured floor-length skirts with matching high collared V-necked jackets with long peplums, designed by Debbie Murdock. They carried beautiful bouquets of daisies and roses with cascades of pearls, beads and ribbons designed by Keith Davidson's Flowers of Uxbridge.

Terry Flieler of Caesarea was the best man with ushers Todd James of Blackstock and Dan Hope of Prince Albert. The attendants wore black tuxedos with ivory pleated shirts.

Ann Ostalichuk, sister of the groom, was the soloist. The bridal party was warmly received into the home of Allan and Linda Westlake for the photography session. Thank you.

Master of Ceremonies was Tom James, uncle of the bride. A wonderful dinner, prepared by Jackie James (from Tripp'n Tom's Catering) was served at the reception at the Blackstock Recreation Centre.

Prior to the wedding, the bride was given four miscellaneous showers by aunts from the Hope family, aunts from the James family, the matron of honour, and a Jack and Jill shower from the Prince Albert Community. The groom enjoyed a stag held by Terry Flieler.

A rehearsal party was hosted by Dorothy and Roy and the bridal party and family enjoyed a lovely evening with buffet and refreshments.

The couple honeymooned on a Caribbean Cruise followed by a week in Barbados. The newlyweds now reside in Prince Albert.

Five years ago, on January 25, 1986, I said, "I do". I loved you then ... Today (with two children, and one on the way, a cat, a dog and having survived the construction of our home!) I can still say ... "I love you, Rick!"
