Dear Mrs. Williams,

I am enclosing another leaflet which is to go with the A.C.W.W. ones ^{in the Packet}. It was out of print when I ordered them and was a long time getting here. It could be of interest to branches who would like to find out more about branches in other countries. Thank you for your report. It has been so wonderful working with all the splendid W. Institute conveners. This will be my final report and I am going to miss the contacts from all over Ontario.

I am glad that your Districts were a little prompter than last year and also that are not in the hospital. Hope you keep well.

Yours sincerely
Muriel Mack.
