

AT JUNIOR FARMERS' BANQUET — The three men who were largely responsible for the success of the Kiwanis sponsored junior farmers' banquet held at Monetteville are shown above during the presentation of awards. From left to right, they are Jim Ross, president of the Sudbury Kiwanis Club; Romeo Leroux, provincial government agriculture representative for the Sudbury district; and Dr. Frank Flowers, Sudbury veterinary. The banquet is sponsored by the Sudbury Kiwanis club and this year proved to be one of the most successful ever held. Ross presented many of the awards and Leroux acted as master of ceremonies for the night.

## Junior Farm Clubs Presented Awards At Dinner Held in Monetteville Hall

MONETTEVILLE.— For the fourth year in succession, the Sudbury Kiwanis Club has honored this community by choosing it as the banquet place for club-sponsored 4-H Club junior farmers from St. Charles, Noelville and Monetteville.

Each year as the seasonal event becomes better known, more Kiwanians and parents attend. This year 25 attended the turkey dinner.

An estimated 135 people were served.

Romeo Leroux, district agricultural representative was master of ceremonies and introduced the Kiwanis members and their wives. Song sheets were distributed and songs were sang, after which Leroux announced the names of prize winners in the various club endeavors. Each junior went up to the speaker's table to receive the prize ribbon. Congratulatory handshakes from Kiwanian president, Bill Shea, Art Quesnel, and others.

Each junior also received an envelope containing souvenirs. There were also miniature baseball bats from a Sudbury sporting goods store. As Leroux introduced the juniors, he related some incident of interest concerning them, such as Francis Beuparlant, of St.

Charles taking her calf seven miles on a wagon, drawn by a tractor driven by herself, to the school where the St. Charles Calf Club Achievement Day was held. The temperature soared in the 90's and her father and brothers were away fighting the ever-increasing fires. Francis had to seek help to load her calf, but she made Achievement Day despite all odds against her.

Noelville's Wilfrid Guerin had to be his own Club leader; also leader and active member of the Noelville Tractor Maintenance Club.

A doorprize donated by Ernie Chartrand was won by Mrs. Remi Carriere, of Noelville.

An ox-drawn cart planter donated by an interested mother to the Calf Club member with the highest total of points in the three Calf Clubs represented went to Roger Fryer with 919 points.
