

Mayor McPhail addresses convention

WHEN THE MASTER OF CEREMONIES forgot to introduce Mayor McPhail at the opening ceremonies of the Ontario Firefighters Convention, the mayor, well known for his NDP affiliations, didn't let the crowd down. He jumped to the stand and called the omission a "Conservative conspiracy." Rick Burgin and President Carl May are also shown. The official opening ceremonies were attended by a capacity crowd July 31st upstairs in the Community Center.

50 Happy Years

Les and Dorothy Taylor celebrated their 50th Anniversary on Saturday, September 18th. They are shown here chatting with some of the many friends and relatives who visited with them on that day.

The day began with an Open House at the United Church followed by a delicious roast beef dinner and ending at a dance in the Legion Hall. Congratulations to Les and Dorothy on their Golden Wedding Anniversary.
