

## New Fair Crest

SUNDERLAND—Earlier this year the Sunderland Agricultural Society held a contest to find a crest for the Fair. There were a few entries and the one that was picked was done by Mrs. Beryl Doble of Sunderland. The crest is in the shape of a horseshoe and is green in colour, with gold lettering in the centre of the horseshoe. The lettering is on a background of pale yellow.

## Piper

STAN McLEOD OF Sunderland was one of the entertainers at the Cannington Historical Society Quilt and Craft Show. Stan played the bagpipes and received an enthusiastic round of applause.
