Card of thanks

With Sincere Thanks

SNIDER - The Snider family feels deeply indebted to our relatives, friends and neighbours for the huge support both during and since Duane's illness and subsequent death. Thanks for cards, telephone calls, food, offers of help and memorial donations. Thanks to Dr. Ingo and staff, Dr. Ivan Stewart and all his Palliative Care team, C.C.A.C., to St. Elizabeth's, 2 great nurses Marg and Mary Ann, the Harrowsmith Oddfellows Hall, Medigas and Kingston Oxygen for all their much needed equipment, the staff of K.G.H emergency room, Cancer Clinic and Broncoscopy Unit, Sydenham Drug Store, James Reid Funeral Home for their help and compassion, Rev. Linda Price and the Rev. Dr. John Young for his weekly visits and loving eulogy, to Gord Struthers for honouring Duane's memory with beautiful music which he performed under very difficult circumstances, Bruce and Dave who I could always count on to come and keep Duane company, so I could leave and not worry, to the guys from the shop "his brothers" for the huge fruit basket, the much needed ramp, making sure the truck passed the e-test, your visits with Duane, your huge memorial donation and your continued support of us. Duane's wish was to stay at home and without all of your love and support that would have been impossible. We will never forget all that you've done for us.

- Love Lois, Brandon and Tyler
